

Magnetic Healthy Ornaments

----let health and beauty coexist----

Earth rotation produces the tremendous magnetic field, which is closely bound up the human health.

It was recorded by Chinese Shen Nong's Herbal that magnet is a indispensable material that tastes sweet and pungent and mainly treat paralysis, rheumatism and dismemberment gall. It is also investigated and confirmed that the quantity of magnetism of human beings' neonatal cells is the most while the decrepit one is much less. Every demonstration indicates that the energy of magnetic field is the source of human life as well as sunshine, air and water, of which is the indispensable energy for human beings.

Wearing the magnetic health ornaments can form a small magnetic field. Meanwhile, the magnetic energy released by magnetic ornaments can go through the human body, induce the systemic electric potential of intestine cells, lymph and nerve cavity, supply the human magnetic energy and activate the system enginery. It has the fine assistance effect of promoting the blood circulation and removing back ache. Wearing magnetic healthy ornament makes health and beauty coexist.
